<p>The Anarchist Rabbi, an essayistic documentary, follows in the footsteps of Rudolf Rocker, an anarchist who campaigned with London's East End Jewish migrants 100 years ago. Steven Berkoff narrates Rocker's ghost who has returned to re-visit the places that were significant to him and turn of the 20th Century anarchism. The film proposes that urban development reinforces the status-quo and class interests, undermining memory and an understanding of working-class history.</p> <p>Although not Jewish, Rocker, a prominent German anarcho-syndicalist, lived in London's East End, campaigning with migrant Jews against the sweatshop system and learning Yiddish when invited to edit the famous Arbeter Fraint, the international anarchist newspaper. As an enemy alien he and his wife were imprisoned during World War 1 and deported in 1918.</p> <p>Kossoff's work (perhaps best classified as 'experimental documentaries') addresses the moving image and 'horizontal montage': specifically the role of the camera-carrying flâneur engaging with the politics of space and the technology of the moving image. His work explores the spaces and places we live, and how the history of these spaces affect and move us in the present.</p> <p>2015: UK Jewish Film Festival (with Steven Berkoff), Toronto Jewish Film Festival, East London Film Festival  September 2014 Whitechapel Gallery, April, 2014 Athens International Film Festival, Ohio  DVD distributed by Lux.org  Reviewed: Richard Porton, Cineaste, (Vol XLI, No 1, 67), Sight and Sound ( Sukhdev Sandhu November 2014) Ruth Kinna, Anarchist Studies, (22:2), previewed Screen Daily, 26 May, 2015  March 2014, No.w.here, London, talk with author Owen Hatherley</p> <p><a href="http://ukjewishfilm.org/film/the-anarchist-rabbi/">http://ukjewishfilm.org/film/the-anarchist-rabbi/</a>  <a href="http://lux.org.uk/shop/products/dvds/adam-kossoff-anarchist-rabbi">http://lux.org.uk/shop/products/dvds/adam-kossoff-anarchist-rabbi</a>  <a href="https://www.questia.com/library/journal/1P3-3523693991/the-anarchist-rabbi">https://www.questia.com/library/journal/1P3-3523693991/the-anarchist-rabbi</a>  <a href="http://connection.ebscohost.com/c/film-reviews/99770062/adam-kossoff-anarchist-rabbi-2014-44-minutes">http://connection.ebscohost.com/c/film-reviews/99770062/adam-kossoff-anarchist-rabbi-2014-44-minutes</a>  <a href="http://www.whitechapelgallery.org/wp-content/uploads/2015/03/Summer2014.pdf">http://www.whitechapelgallery.org/wp-content/uploads/2015/03/Summer2014.pdf</a></p>
